

Individual/Family Membership (Valid until March 2017)

The Donaghadee Community Development Association was established in early 2011 by members of the Donaghadee Traders Association who, aware that the Community Association was no longer operational, felt there was a need for a group which could represent both the economic and community interests in the town.

Membership is open to individuals/families (at £5.00 per year) as well as community groups and businesses in the town. The Group seeks to raise community spirit in Donaghadee and improve the local economy and all of the monies raised goes towards this great cause. All members of the committee are elected volunteers and as a member you have a vote at the Annual General Meeting.
