**Review of Masterplans
Public Engagement Sessions***

There was a good turnout from the public at the session held last month to review the town Masterplan. The response to the survey has however been low and Council has decided to extend the consultation period until Friday 14th April 2023 to try and stimulate more responses. All the information panels and surveys can be found here:

COMMUNITY POLICING SURVEY 2023

YOUR VIEWS WANTED

The Northern Ireland Policing Board is seeking views from across the community on the delivery of the policing service and how the police engage in local areas as part of the Community Policing Survey 2023.

With our responsibility to oversee the work of the Police Service of Northern Ireland, we want to find out about your experience of PSNI in your local area, whether that be as an individual or through your work with a community group or an organisation.

This information will be used to inform the Policing Plan and assist the Board in assessing and evaluating the impact of police partnership working within local communities. We appreciate you taking the time to complete this survey. The Board will publish the results in Autumn 2023.

COMMUNITY POLICING SURVEY 2023

SCAN TO COMPLETE THE SURVEY

The online survey will be open from **Monday 3 April 2023 to Friday 30 June 2023** and can be accessed by scanning the QR Code or by visiting consultations.nidirect.gov.uk/doj/community-policing-survey-2023
