BIODIVERSITY EVENT

Celebrating our Magnificent Moths during Insect Week (19th - 25th June)

Insect week encourages people of all ages to learn more about insects. Insects are essential in supporting the environment due to the huge part they play in the pollination process.

Come and celebrate our Magnificent Moths with expert guide Ross McIlwrath at 10AM on Saturday 17th June at our rewilding site located at Ballyphilip Playing Fields, Cloughey Road, Portaferry!

Join us as we explore the amazing nocturnal world of moths, how a moth trap works and help us identify what species we have caught before they're released.

This is a free event, to book your place please e-mail andbiodiversity@ardsandnorthdown.gov.uk or alternatively contact the Biodiversity Officer on 0300 013 3333 ext 40343
