Do you want to learn more about
Hedgehogs?

Why not join us for a free hedgehog event on **Monday 31st October at Bangor Castle Walled Garden, from 10am until 1:30pm**, to learn more about our prickly garden friends and what you can do to help them thrive.

On the day there will be the opportunity to meet Andrea Cowan, Loughgall Hedgehog Rescue, who dedicates her time to looking after sick and injured hedgehogs, rehabilitating them for release back into the wild or in some cases for foster care. There may be the chance you could meet some hedgehogs on the day! Could your home make a good foster home?

Why not try your hand at some woodwork? Come along and learn how to build and give a hedgehog a forever home!

Or embrace your creative side on the day and make a hedgehog-themed craft!

Everyone is welcome, the event is suitable for all ages. Children must be accompanied by an adult
