What we do

Our Committee meets monthly to discuss issues affecting Donaghadee.

Each member of the committee acts on a voluntary basis, giving freely of their time to improve the town.

Our key focus is on making Donaghadee a better place in which to live, work or visit. We want to see a vibrant town centre and we want to foster and promote community spirit and civic pride.

This involves us working closely with other organisations in the town, with our elected representatives and with statutory bodies including Ards & North Down Borough Council.

We are a charity recognised by the Charity Commission for Northern Ireland. Everyone gives freely of their time to help in the common quest to improve Donaghadee.

Why join?

There is much to gain by joining the Association. Membership is open to individuals, businesses in the town and community organisations. If you join, you can expect:

- The opportunity to contribute to community in Donaghadee.
- To have the opportunity to raise issues of concern and have these taken up with the Council or other body.
- An opportunity to influence future Council policy and practice.

What have we achieved?

DCDA has worked tirelessly to make Donaghadee a better place and we were delighted when the Sunday Times designated our town as the best place to live in Northern Ireland. Over the past 2 years we have:-

- Organised the annual floral decorations winning Ulster in Bloom 2021 and 2022;
- Co-ordinated the summer festival – gross footfall close to 20,000
- Organised the annual Christmas Parade and associated celebrations;
- Distributed goods with a value of £7,000 for traders to use in our shop local campaigns;
- Worked closely with the Council on the introduction of various Covid Recovery grant schemes to support local traders;
- Continued to work on our major environmental project in Crommelin Wood;
- Launched a major Marine Litter project costing £18,000 with local schools;
- Following discussion with traders submitted a detailed response to the Government consultation on business rates;
- Campaigned for resolution of car parking problems
- Helped support groups with advice on funding opportunities and governance issues;
- Worked closely with our counterparts in Bangor, Comber, Holywood and Newtownards on issues of common concern; and
- Continued to represent Donaghadee on the Donaghadee Town Advisory Group which is the Council Committee overseeing the Townscape Heritage Initiative and discusses issues affecting Donaghadee
