Hi Everyone

Good Relations Week 2023 event registration is now live.

The theme for this year's celebration is 'Together' which will shine a light on individuals and organisations working together and sharing ideas and experiences in tackling everything from sectarianism and racism to gender inequality, shared spaces, peace-building, and cultural diversity.

Good Relations Week 2023, Monday 18 to Sunday 24 September 2023 will deliver a positive message of togetherness as it celebrates peace-building and cultural diversity in an effort to eradicate sectarianism, racism and inequality.

As appropriate, could you please share details with your partners and stakeholders, encouraging them to support #GRW23.

Organisations can sign-up and log-in to register physical and online events using the automated online registration system at www.goodrelationsweek.com

The deadline for event registrations is Friday 1st September 2023 at 5pm.
