Consultation on free and discounted fares on public transport

DfI is seeking views on free travel for those over 60. The main changes being considered are:-

- Raising the age at which you qualify
- Charging when applying for a pass or replacing it
- Restricting the times when passes can be used
- Restricting travel to buses only (ie no train journeys)
- Changes to those with passes on grounds of disability

More details and how to respond are at <https://www.infrastructure-ni.gov.uk/consultations/consultation-changes-concessionary-fares-scheme>
